CHAPTER _____

An act to amend Sections 1330, 1331, 1332, 1333, 1334, 1335, 1338, and 1340 of, and to add Section 1341 to, the Military and Veterans Code, and to repeal Article 11 (commencing with Section 18821) of Chapter 3 of Part 10.2 of Division 2 of the Revenue and Taxation Code, relating to veterans memorials.

LEGISLATIVE COUNSEL'S DIGEST

SB 599, Negrete McLeod. California Mexican American Veterans' Memorial Beautification and Enhancement Committee.

Existing law establishes the California Mexican American Veterans' Memorial Beautification and Enhancement Commission and provides for its composition and duties. Existing law authorizes the beautification and enhancement of an existing memorial on state grounds, as defined, and authorizes the commission to, among other things, establish a schedule for its design, construction, and dedication; to solicit designs and devise a process for selection of the final design; to monitor construction; and to consult with and obtain final design and site orientation approval from the Department of General Services.

This bill would delete the provisions establishing the California Mexican American Veterans' Memorial Beautification and Enhancement Commission, and would instead require the Secretary of Veterans Affairs to establish a California Mexican American Veterans' Memorial Beautification and Enhancement Committee, as specified. This bill would authorize the committee to, among other things, establish a schedule for the design, construction, and dedication of the memorial; to solicit designs and devise a process for selection of the final design; to monitor construction; and to consult with and obtain final design and site orientation approval from the Department of General Services and the Secretary of Veterans Affairs.

Existing law establishes the California Mexican American Veterans' Memorial Beautification and Enhancement Account, a continuously appropriated account, in the General Fund. Existing law authorizes taxpayers to designate a contribution to the account through a voluntary checkoff on their tax returns. Existing law

also authorizes the commission to receive contributions, for the beautification and enhancement of the memorial, which are to be deposited in the account. Funds in the account are to be appropriated to the commission for purposes of beautification and enhancement of the memorial and for reimbursement of the Controller and the Franchise Tax Board for related costs.

This bill would repeal the provisions authorizing taxpayers to designate a contribution to the account through a voluntary checkoff on their tax returns. This bill would instead authorize the Department of Veterans Affairs to receive those contributions for the beautification and enhancement of the memorial, which are, under existing law, required to be deposited in the account, and appropriated to the department, along with existing funds collected through the auspices of the California Mexican American Veterans' Memorial Beautification and Enhancement Commission, for purposes of beautification and enhancement of the memorial.

Existing law prohibits the commission from soliciting any construction funds until the veterans memorial has been constructed on State Capitol grounds under existing law.

This bill would delete the provision prohibiting the committee from soliciting any construction funds until the veterans memorial has been constructed on State Capitol grounds under existing law.

Existing law requires the commission to notify the Governor and the Franchise Tax Board when the beautification and enhancement of the memorial is complete.

This bill would instead require the committee to notify the Governor and the Secretary of Veterans Affairs when the beautification and enhancement of the memorial is complete.
